(AHEM) gets sent home in a weekly newsletter

In math class this week, we'll learn to subtract fractions with common denominators. We'll also learn our x8 facts, and how to find the fraction of a group.

In language class, we'll learn about the non-action verbs am, is, are, was, and were. We'll also learn when to use the verbs lie and lay, and the verbs sit and sat. This week we'll also start learning how to diagram imperative sentences.

We'll also write our mammal reports this week. Rough drafts are due Wednesday, and final drafts are due Friday.

The January school-wide extra credit memory verse is Psalms 143:10. The extra credit assignment is to write out the names of all 39 books of the Old Testament.
