

CLAY COMMUNITY SCHOOLS SCIENCE FAIR

Dear Parents/Guardians,

Clay Community Schools is pleased to announce that the 31st annual Science Fair will be held at Northview High School on Saturday, February 20th, 2016. All students in Clay County are invited to participate. You may find this handout as well as several other handouts on Clay Community Schools Webpage. Go to programs then to CCS Science Fair.

Guidelines for the Science Fair:

1. Science Fair participation is intended to be voluntary.
2. All Science projects are to be conducted outside of class time.
3. Students are responsible for the funding of their own projects.
4. All projects should be stored away from school due to lack of available space.
5. All project topics need to be approved by the school Science Fair representative for appropriateness.
6. All projects need to follow the **Steps to Prepare a Science Fair Project** guidelines may be found on Clay Community School EDLINE http://www.edline.net/pages/Clay_Community_Schools under the PROGRAMS you will find CCS Science Fair. For the display please keep the following in mind: if you have any liquids or solids that are not sealed, we ask that before you set up, you place a plastic protection sheet on the table. We will have trash bags available if needed. Please, no live animals! We encourage pictures be taken if you question the safety of any device or chemical. Thank you for your cooperation.
7. School Science Fair representatives and other teachers may be used as a resource for projects.
8. Students who enter the fair will be expected to complete and exhibit a project.
9. In some cases, school equipment may be used for Science projects.

If you have any questions, please feel free to contact the Science Fair representative at your school.

If you are interested in having your child participate in this year's Science Fair, please detach and return this form, including payment for any display boards ordered, to the CCA school office by **Friday, January 22nd**.
