Animal Notebooks

The class has started their annual 3rd grade project, *My Animal Notebook*. They are writing a short report about one mammal, one fish, one bird, one invertebrate, one amphibian, and one reptile. Each report will need to be accompanied by 2 or more pictures of their chosen animal. Please help your child begin to gather their pictures at home. They can draw/color, cut from magazines, or print them from the internet. The reports and pictures will be compiled to form the *Animal Notebook* which will be due in February. I will update you when I know the actual due date.

Memory Verse

16 For the Lord himself will come down from heaven, with a loud command, with the voice of the archangel and with the trumpet call of God, and the dead in Christ will rise first.

17 After that, we who are still alive and are left will be caught up together with them in the clouds to meet the Lord in the air. And so we will be with the Lord forever. 1 Thessalonians 4:16-17
