## News!

January 23-27, 2023

### A Peek at the Week

We are learning how to mark long and short vowels, which will help in our reading. We will also be learning the new special sounds: ck in duck, e in me, o in go. Please review the one-vowel and two-vowel rules with your child. We are working hard in our reading groups.

Keep practicing the 1-5 addition families. We need some help with this. We are learning  $\frac{1}{2}$  of an object and more/fewer concepts. We will also be working with the dime, the calendar, ordinal numbers, and number words (1—one, 2—two,...)

### Looking Ahead

Please make sure your child reads and brings back his/her reader for our reading circles. Sign it if you have listened to his/her reading.

I will send home a special sounds chart so you can post it and go over it with your child.

### Reminders

A lot of illness occurs in the winter. Be sure your child is not ill when you send him/her to school. Remember to send hat and mittens as we go outside for recess in decent weather.

### Memory Verse

"Salvation is from the Lord."  
Jonah 2:9
