

Kindergarten

March 20-24, 2023

A Peek at the Week

This week we are learning many new special sounds to help us become more fluent readers. I will be sending home Phonics Chart 8, which we are beginning to learn. In Numbers, we will be finding 1" on the ruler. We will also be learning "between numbers", counting by 2's, and subtracting 1. We are wanting to memorize the 8 Addition Family as well.

A Look Ahead

March 27-31---Spring Break
April 7---Good Friday/no school
May 5---Spring Carnival

Reminders

Please review Phonics Charts 6, 7, and 8 with your child.
Please read with your child at home and review addition flashcards. Extra drill at home is really needed by some students for addition facts. The students need to give the correct answer within 3 SECONDS.

Memory Verse

"Christ died for our sins according to the Scriptures..."

I Cor. 15:3b
