*It's hard to believe that May is here already!
The children have learned so much this year.
I'm sure you are proud of their progress.*

*I've really enjoyed working with your child this
year. It has been my privilege to watch them
continue to grow and mature into sweet and
loving children.*

I pray you have a safe and fun summer.

**For our friends who have summer birthdays, we don't want to leave you out. We would like to celebrate your "unbirthday" with our class on May 4th, 6th and 11th.*
