*It's hard to believe that May is here already! The children have learned so much this year. I'm sure you are proud of their progress.*

*I've really enjoyed working with your child this year. It has been my privilege to watch them continue to grow and mature into sweet and loving children.*

*I pray you have a safe & fun filled summer. I hope to see you all next year.*

*\*For our friends who have summer birthdays, we don't want to leave you out. We would like to celebrate your "unbirthday" with our class on May 6th, 10th and 20th.*
