## Spelling List # 17

### Service Project:

Helping a family in need, since we are blessed beyond measure.

The students and I discussed helping with a gift for a child this year from the tree in the foyer of First Christian Church. Each student feels they can contribute 2.00 from their own money. Students are not to ask parents for the money, but to use what they might have saved or work to earn it.

Please have the student bring in the money by Wednesday, December 4th.  
thank you
