## A Peek at the Week

We will begin having reading groups three times a week. What fun it is to read!! Soon we will be bringing our books home for reading homework. Have your child read only what has been assigned or some previous pages. Do not have him/her read ahead. When the child completes the reading assignment, please sign the back of the book.

All the class should now be able to read the blend ladders very well.

We are reviewing the One-Vowel Rule: "When there is one vowel in a word, it usually says its short sound; mark it with a smile."

We have begun to count the 80s family and count by 10s. We will soon add the 90s family and begin to learn the Three Addition Family.

## Looking Ahead

We have a packed and FUN-FILLED month. In December, we will be decorating our Gingerbread Houses. I'll send home a note about what your child should bring to help decorate our houses.

Dec. 19---Christmas Program 6:30pm

Dec. 20---Last day before Christmas

Dec. 23-Jan. 3---Christmas Break

Jan. 6---First Student Day Back

## Reminders

In December we will be working on a special surprise Christmas project. Would you please send in \$5.00 with your child to cover the cost? Mark the envelope as "Christmas project". Thanks so much.
