

Kindergarten News!

April 1-5, 2024

Peek at the Week

We are reading three times a week. Soon we will be starting to have reading groups each day.

It is very important to read nightly with your child, whether in the school book or another book at his/her level.

In numbers, we are counting by 2's and learning to subtract by 1. We will learn smallest to largest and also between numbers.

Soon we will be learning the 8 Addition Family. Please work with your child on addition flashcards, especially Addition Families 4, 5, 6, 7.

A Look Ahead

April 8---Eclipse Day; NO SCHOOL

May 4---Spring Craft Fair and Car Show

May 9---Crusader Day

May 10---Carnival

Reminders

Please remind/encourage your child to stay on task and listen to instructions. We still have lots to get done before the end of the year.

Memory Verse

"Christ died for our sins according to the Scriptures, that he was buried, that he was raised on the third day according to the scriptures."

I Corinthians 15: 3-4
